

CHILD

Is God real?

PARENT

Well, God is sort of like Santa.
Some people believe he exists, and
some don't.

CHILD

I saw Santa at the Mall, so I
believe in God.

PARENT

Well that Santa at the mall was
probably someone just dressed up
like Santa.

CHILD

So God doesn't exist.

PARENT

I didn't say that. God and Santa
are two very different things. One
is an idea, and the other... a
feeling.

CHILD

So God does exist?

PARENT

No, he doesn't. I mean he does. I
mean, I don't know-

CHILD

Why don't grown-ups ever know
anything?
