

**Scene of Preparation-** character prepares for pivotal event

*Example answers in italics*

Three physical actions that character does to prepare for task:

1. *studies map of sewer pipes*
2. *makes home explosives*
3. *shooting cans off a fence*

Show these three things being used during pivotal event scene for ultimate audience satisfaction (or going horribly awry for a comedic or tragic effect).

1. *breaks through floor of men's bathroom*
2. *tapes explosives to bank vault*
3. *fires at security guard, hitting him in the leg*
